Multifunction System
Enabling big business
performance.

WorkCentre™ 7120 / 7125 Multifunction System

Efficiently powerful performance. Seamlessly create and share business-critical information, in full office colour and take your business or work group to a higher level of performance – without affecting the bottom line.

Streamline your processes

Increase productivity with powerful workflows that optimise business efficiency. The compact WorkCentre 7120 / 7125 is loaded with features that save time and simplify device management.

- **Fast output.** Copy and print both single-sided and two-sided documents at up to 20 / 25 ppm in colour or black and white.
- **Scan, print, copy, fax and route files – all at once.** Concurrent operation maximises office productivity, letting multiple users perform different office tasks simultaneously.
- **Superior scanning.** Easily share files or introduce electronic archiving with powerful scan capabilities. Create text-searchable files at the device for easy retrieval. Compression technology reduces network load to enable fast transmission.
- **Automate everyday workflows.** Create job flow sheets to automatically route documents to predefined locations, including email addresses, fax destinations and FTP/SMB sites.
- **Remotely manage the device.** CentreWare® IS Embedded Web Server automates installation, troubleshooting, feature set-up and upgrading.
- **Easy, accurate billing.** Smart eSolutions MeterAssistant® collects and submits meter reads and SuppliesAssistant® enables automatic ordering of toner to save time.

Responsible colour

The budget-friendly WorkCentre 7120 / 7125 helps you manage costs and save money.

- **Customise your print driver settings for economy and efficiency.** For example, set two-sided printing or choose N-up for printing multiple pages on a single sheet as your default. Adjust settings for specific applications, such as always printing emails in black and white.
- **Manage and track device usage.** Internal Auditor sets limits of device features for analysis and billing purposes. Xerox Standard Accounting provides reports for greater cost control of all device functions. Advanced solutions from Xerox Alliance Partners deliver even more helpful tools for larger office environments.
- **Reduce fax costs.** The Fax over IP kit sends and receives faxes using the T.38 protocol.

Easy on the environment

The WorkCentre 7120 / 7125 multifunction system conserves natural resources with no loss of performance, reliability or output quality.

- **Reduce energy consumption.** Utilising LED Scan technology and EA Toner with ultra low melt characteristics helps reduce power consumption while maintaining the quality you would expect.
- **Work quietly.** Our quietest work group colour multifunction system stays productive while emitting low noise levels.
- **Save paper.** Achievable with two-sided printing as default or use customisable application driver defaults* creating more efficient ways of printing.
- **Paperless faxing.** LAN Fax sends faxes directly from applications on your desktop. Incoming faxes can be viewed as thumbnail images on the user interface – so you only print what's important.

* Microsoft Windows Drivers only

WorkCentre 7120 / 7125 Quick Facts

- Print/copy up to 20 / 25 ppm colour and black and white
- High impact colour with built-in control and accounting
- Powerful scan and fax capabilities
- Robust security features
- Space-saving footprint
- Paper capacity up to 2,130 sheets

2011 Pick of the Year
The WorkCentre 7120 was selected as Buyer's Laboratory Outstanding 20 ppm A3 Colour Multifunction System Winter 2011

Security without IT

Robust security features safeguard the full gamut of entry and exit points to ensure the safety of critical information. Implement enterprise security solutions without the need for skilled IT know-how.

- **Secure Print.** Keeps documents private by holding print jobs in the queue until the user enters the password.
- **Password protected PDFs.** Require a password to open and view a sensitive scan.
- **Keep your information safe.** Enabled by encrypting resident data on the device and electronically erasing images on the hard drive.
- **Email over SSL.** Protects communications to prevent identity theft.
- **Full system Common Criteria (ISO 15408) Certification at EAL3*.** Ensures that the WorkCentre 7120 / 7125 conforms to the most stringent security standards and regulations.

Fits your office

- 1 With a compact footprint, the WorkCentre 7120 / 7125 delivers more functionality while taking up less space. Add basic finishing capabilities with the space saving Integrated Office Finisher.
- 2 Duplex automatic document feeder holds a generous 110 sheets of paper.

- 3 50-sheet bypass tray for speciality media and sizes.
- 4 Choose the configuration that meets your needs: a two-520-sheet tray with stand configuration holding up to 1,040 sheets of A3 paper, or a four-tray configuration holding up to 2,080 sheets.

- 5 Office Finisher LX (with Booklet Maker option) provides advanced finishing functions at a value price.

Simplifies your workflows

- 1 The large 7 inch colour touch screen makes it easy to find the functions you need. Preview, scan jobs and documents stored on folders before printing.
- 2 Extend the functionality of your WorkCentre 7120 / 7125. With Xerox Workflow Solutions, you can connect to document processing tools needed to get your work done faster, more efficiently and more effectively.
- 3 USB Port option lets you scan to or print from any standard USB memory device for portability and convenience.

WorkCentre™ 7120 / 7125

Colour Multifunction System

		WorkCentre 7120V_S / WorkCentre 7120V_T	WorkCentre 7125V_S / WorkCentre 7125V_T
Speed		Up to 20 ppm colour / 20 ppm black and white	Up to 25 ppm colour / 25 ppm black and white
Duty Cycle		Up to 50,000 pages / month	Up to 60,000 pages / month
Paper Handling	Standard	Duplex Automatic Document Feeder: 110 sheets; Size: A5 to A3; Custom sizes: 85 x 125 mm to 297 x 432 mm	
		Bypass Tray: 50 sheets; Custom sizes: 89 x 98 mm to 297 x 432 mm	
	Optional	WorkCentre 7120V_S / 7125V_S (Trays 1 and 2): 520 sheets each; Sizes: A5 to A3; Custom sizes: 140 x 182 mm to 297 x 432 mm	
		WorkCentre 7120V_T / 7125V_T (Trays 1 - 4): 520 sheets each; Sizes: A5 to A3; Custom sizes: 140 x 182 mm to 297 x 432 mm	
Paper input	Optional	Envelope Tray: Up to 60 envelopes: DL, C5, Custom sizes: 98 x 148 mm to 162 x 241 mm	
Paper output	Standard	Dual Catch Tray: 250-sheets each, Lower tray offsets	
	Optional	Integrated Office Finisher: 500-sheet stacker, 50 sheets stapled, single-position stapling	
		Office Finisher LX: 2,000-sheet stacker, 50 sheets stapled, 3-position stapling, optional hole-punch, optional booklet maker (score, saddle stitch)	
		Convenience Stapler: staples 50 sheets
